Re: Best of the season

Dear Member;

As we draw together to close off the year, I would like to take this opportunity as your newly elected Commodore to wish you and your family the best of the season.

It is at this time of year that we reflect on our past activities and achievements and begin planning for the upcoming year.

Last night the Executive Board met for the first time to start to get ready for the 2018 boating season. There is already some exciting prospect being discussed as we strive to build, promote and encourage recreational boating on Lake Superior, the grandest of all lakes!

At the board we welcome; Lesley Dell as Secretary, Tyson Derouard - Bulletin and Shannon Whale - Social and wish to thank outgoing Executive Officer, Todd Siciliano and Jack Drews for their insight, service and dedication.

With the coming season, we welcome all members to help out where they can through their volunteer hours or by providing the board with suggestions on how to improve your organization.

If you should have any questions or concerns please let me know.

May you and yours have a wonderful holiday season and a Merry Christmas.

Sincerely,

Paul Morralee  
Commodore, TBYC
