

## **COVID-19 Closure of Facilities and Postponement of Programmes**

### **Ontario Extends Business Closures to Stop the Spread of COVID-19 Additional Measures Necessary to Protect the Health and Safety of the People of Ontario**

The government has ordered the closure of all non-essential services which includes the Thunder Bay Yacht Club Mission Island yard and clubhouse.

Effective Saturday April 4th, 2020 the Mission Island yard and clubhouse will be closed to member use.

TBYC programmes will be postponed until further notice. This may impact timelines for our boating season.

TBYC committees will continue planning as this situation develops.

"This closure will be in effect for 14 days, with the possibility of an extension as the situation evolves." - Government of Ontario

No-one should be at the Mission Island yard for any reason - working on your boat or preparing for the summer boating season.

Let's work together to get through this as quickly as we can without losing any of our fine boaters to this deadly virus..

"Everyone in Ontario should stay home unless absolutely necessary and practice physical distancing to reduce their exposure to other people. Avoid close contact (within 2 metres) with people outside of your immediate families." - Government of Ontario

Hugh Briggs, Commodore
